INDIAN SCHOOLS ALUMNI AND FRIENDS NEWSLETTER

YEAR 2012 INSAF YEAR-TO-DATE PROJECT EFFORT LAGS A BIT — TIME TO CATCH-UP

We are pausing to take stock of our total project effort so far this year. As of early October, the INSAF total project effort stood at \$43,955, about 15% lower than last year at this time.

The chart below shows a comparison of the project effort for Year-to-date 2012 with those during 2010 and 2011. The totals for the last two years are also shown.

We are very much in the game though. Please check to see if you have already acted to do something this year for a project of your interest. Also, have you been meaning to start a new project? This is an excellent time to do so. You can do two good things at once. Give something back to help someone and get a tax deduction for yourself for the Year 2012.

Pages 7 and 8 of the Newsletter have project ideas for you to consider. Other pages show you how some of our INSAF colleagues are finding worthy causes to support. Remember — to help you give back for any causes of your interest is why INSAF exists and how we together can make a difference. Please let the Newsletter Editor know if you could use any assistance.

We would also like to take this opportunity to thank all those who have introduced INSAF to other people. Our growth in membership numbers in recent years, largely due to the excellent efforts of people like Dr. Prem N. Bajaj, has slowed in 2012. INSAF is fortunate to have an estimated 161 Life Members, and it would be great if each one would introduce INSAF to one other person in the coming 2-3 months.

INSAF wishes Neeraj and his wife Shu Han much success in their new location.

INSAF WELCOMES WICHITA STATE UNIV. ISA

INSAF welcomes **Indian Students' Association (ISA), at Wichita State University (WSU)**, to Life Membership of INSAF. ISA, founded in Nov. 1985, is an active organization at the campus of WSU, in Wichita, Kansas. Every year, ISA has helped new students from India in any way possible.

Around 2001– 2002, ISA raised enough funds for an endowed scholarship for a student from India. ISA has the unique distinction of being the only student organization to establish an endowed scholarship.

INSAF invites other organizations, as well, with an interest in giving back to India which gave a start to so many of us. It is a rare opportunity for partnership of various Indian organizations with INSAF. Specifically, all members of ISA are now eligible to support any cause consistent with INSAF's goals by making a contribution to an existing project or are welcome to start their own new project. In fact, INSAF policy provides for partial matching funds if a member wishes to start a new project. All contributions to INSAF are tax deductible in the United States.

For an organization, membership dues are the joint Life Membership dues (currently \$ 150). Once an organization becomes a member of INSAF, the president/advisor/ executive officer (herein called EO) of the organization when it becomes a Life Member of INSAF, will nominate two persons to represent it by writing to the INSAF Financial Secretary.. The two nominees are eligible to vote in any INSAF election and will serve as a link with the membership of their organization.

The EO may designate the nominees for a fixed period as deemed appropriate by the EO. The EO may replace a nominee by another person, as the organization rules dictate (for example, when the nominee ceases to be a member of the organization).

We look forward to welcoming the ISA nominees in the next issue of the Newsletter after the INSAF Financial Secretary receives the nominations from ISA's WSU advisor.

SUBMISSIONS WELCOME FOR INSAF NEWSLETTER

INSAF members are encouraged to write to the Newsletter Editor with their comments on any topic which might be of interest to the INSAF membership.

Deadline for submissions for the next Newsletter is March 15, 2013

Sh. Kumar Kapur, was honored by INSAF for his 20 plus years of dedication and outstanding service as its Financial Secretary (Ref. Nov 2011 INSAF Newsletter). A plaque on behalf of INSAF was presented to honor Kumarji's service.

Pictured on the left are former President Dr. Ramesh Paliwal (left), Kumarji (middle), and Ms. Sudesh Kapur, who has been an integral and reliable partner with Kumarji in his excellent work for INSAF.

VOLUNTEERS INVITED TO SERVE ON INSAF EXEC

The INSAF Constitution provides for a 4 member INSAF Exec Team to take charge for a 2 year term. The next term begins Feb 1, 2013 and ends Jan 31, 2015.

Two of our current Exec members, Dr. Prem Bajaj (President), and Dr. Suresh (Raju) Keshavanarayana (General Secretary), have decided to take a break when their term ends Jan 31. We are fortunate that the other two Execs, Dr. P. Harshavardhana (Vice President), and Ms. Padmashri Lad (Financial Secretary) have agreed to continue to serve and will provide continuity. This opens up two opportunities for anyone interested in serving on the INSAF Leadership Team.

We are sure we can count on Prem Ji and Raju Ji to remain just as committed to INSAF as they have been.

Are you interested in serving on the INSAF Exec Team? Any member can nominate himself/herself or another member. If nominating another person, you must first obtain their consent to be nominated.

Former Exec Team members are also cordially invited to express an interest. INSAF is fortunate that so many of the former Exec members remain just as committed to INSAF as they were while they were on the Exec team.

Please let the Newsletter Editor know if you are interested **before December 22**. If you have any questions, please feel free to write. E-mail address: sharma7336@gmail.com.

PROJECT UPDATE: KALIYUVA MANE

Kaliyua Mane is a residential home managed by the Divya Deepa Foundation in Kenchalagudu (near Mysore). The school guides rural children from disadvantaged backgrounds using an alternate, innovative, and individually tailored approach.

An INSAF team led by former INSAF Exec Soma Murthy and current Exec Harsha, has been raising funds to support the work of the Foundation. Contributors in addition to Harsha (\$2,500) & Soma (\$1,000) include the Sita Foundation of the Ullal Family (\$5,000), Sh. Raghu Rajagopalan (\$1,000), Sh. Ajit Deora (\$501), INSAF (\$500), Padmashri & Raj Lad (\$500), and Kaye & Bhav Sharma (\$500). In addition, several of Harsha's friends in India contributed Rs. 85,000 (about \$1,550).

Under this project, a small dormitory for girl students is already under construction (we'll share a photo in a future Newsletter) and the computer lab at Kaliyua Mane is being upgraded. In addition, five students have received or will receive financial support.

Among the five students is Sachin, who completed a 2 yr ITI course in 2012 and is now working at an IT company in Bangalore. Another student, Mahesha, has passed his Pre-University examination in 2012 with a first division. We will report on the next steps taken by Mahesha. Three new students Manu, Shweta, and Dhanu will soon be getting support and we'll report on their efforts in a near future Newsletter.

Dr. Mahendra and Shmt. Jyoti Nanavati Family Support Several Worthy Causes

Dr. Mahendra Nanavati was born and raised in Ahmedabad, Gujarat, India. He received his Board Certification in Internal Medicine in India. While growing up as the oldest of 8 siblings, Mahendra shared family responsibilities with his Dad and, as a result, imbibed good family values. Mahendra and his wife Jyoti Ji are parents of three successful, adult children.

On 31 Dec 1967, Mahendra arrived from India at the JFK Airport amid a major snowstorm, and like many others, had only \$8 in his pocket. Soon after arriving in Rochester, NY, Mahendra trained as a Psychiatrist and within a few years received his Board Certifications in Psychiatry and Geriatric Psychiatry. Mahendra has always been a vegetarian and a teetotaler, and therefore, went through some difficult times initially. However, he was impressed to observe how he received help from so many people he had never known. With those experiences, Mahendra and his wife Jyoti have continued to give back to several worthy causes in India and the US, following the motto of "Share, Care, Help" whenever possible.

Now retired, Mahendra and Jyoti, recently visited their son Sujal, an intervention radiologist in the San Francisco Bay area. During the visit, they shared the background on four projects being implemented through INSAF, along with Mahendra's brother Pankaj and his wife Rupa. These projects serve as examples of how each of us can find our own productive and fulfilling ways of giving back.

Manav Kalyan Trust

The Nanavatis were introduced to Manav Kalyan Trust, Navsari, Gujarat, through a friend. The Trust is dedicated since 1970 to the support and education of the disabled. Over 600 children with special needs in vision, hearing, and learning are being helped at six institutions run by the Trust. The Nanavati family sent a total of \$5,725 last year through INSAF to support this work.

Jain Swetamber Murtipujak Vishashrimali Mitra Mandal

The Mandal provides financial, educational, and medical help to the needy among the Jain community. Mahendra has been actively associated with the leadership in building a trust fund and with its projects. One program provides health insurance for basic health care to over 30 needy families. Another effort helped an elderly lady with obtaining a more suitable home. The family sent a total of \$4,800 last year to support this work.

Adivasi Unnati Mandal

Over the past 40 plus years, on Sundays, a group of business owners and doctors from Mumbai go to a village area near Nashik, about 120 Km away, to provide primary healthcare and other assistance to the Adivasi people in the area. Jyoti's brother, owner of a pharmaceutical company, is one of the volunteers. Several hundred Adivasi people benefit from these efforts every week. Some patients receive further advanced care in Mumbai. The Nanavati family sent \$1,225 last year to help these efforts.

Shrimad Rajchandra Adhyatmik Sadhana Kendra

The Sadhana Kendra is an institution based on the teaching of Shrimad Rajchandra, a 20th century Jain saint. It is located in Koba, near Gandhinagar, Gujarat. The Nanavati family sent \$1,225 in Yr 2011 to support one of their interesting projects, under which Chass (buttermilk) is provided as a service to the local people.

Polio Foundation

This Ahmedabad based foundation is actively working for to help children with cerebral palsy, diabetes and renal impairment among other services. All services are provided either free of cost or at a concessional rate. The Nanavatis sent \$10,000 in Yr 2012 to support the work of the Polio Foundation.

These projects, and others in the Newsletter, illustrate how families have found a way of giving back to several worthy causes, and serve as example for other INSAF members.

SHRIMATI DWARKI DEVI INSAF VIDYA MANDIR

The Vidya Mandir provides free, good quality education to disadvantages students on the outskirts of Hoshiarpur, Punjab. The school is entirely supported by a trust managed by the family of Surinder & Nirmal Maheshwary in honor of the late Shmt Dwarki Devi, a gentle and kind lady and Surinder's mother.

Earlier this year, Surinder & Nirmal, Rishi & Meredith Maheshwary, Suneer & Laura Maheshwary, Tanvir & Mona Zaidi, jointly contributed \$1,750 to help support the operation of the Vidya Mandir.

EYE CARE AT O.P. SONI CHARITABLE HOSPITAL

Former Exec **Dr. Ashok and Usha Sachdev** have been supporting eye care and other help for the needy at the O.P. Soni Hospital in Jagraon, Punjab. A contribution of \$1,180 has been sent this year (Sachdevs \$1,000, INSAF \$180). The hospital is managed by the family of fellow INSAF Life Members **Ashok & Sanju Soni**.

Dr. Bajaj Presides at Banquet & Awards Ceremony for Kansas Authors Club

The Kansas Authors Club was founded in 1904 as a non-profit 501(c)3 organization and offers the opportunity for writers to share experiences and problems unique to their profession. Since 2008, Prem Ji has successively held the offices of Financial Secretary, Treasurer, and State President. He has been elected to be President for 2013. Letter from the INSAF President

Dear Friends,

INSAF was founded in 1971 but it has been a well-kept secret. During the last years, any time I approached a person to support INSAF, the person denied having ever heard of it.

INSAF has some unusual features. The annual operating expenses, at 0.5% averaged over the last 5 years, are lower than that of any other organization that I have ever seen. Each project is monitored usually by a member of INSAF. Members work as volunteers, and, therein lies the need and importance for more members.

Asking a person to become a Life Member of INSAF takes a lot of hesitation and courage – being turned down for the request is a disappointment.

On 5/18/09, INSAF had 93 Life members – a couple counting as two members – with the largest number 23 from each of California and New Jersey. Kansas had only six members. Most of the states had either one or two members each. I wished that Kansas fared better in membership count.

BEFORE approaching anyone else, I had my children become joint Life Members. Then, with hesitation and fear, I contacted friends for membership in INSAF. At this time, INSAF has 159 Life Members. Of all the states, Kansas has the largest number 37.

I request you to introduce INSAF to your friends. You feel better if your spouse and the grown children are, also, Life Members. Just dare to ask but be prepared for a negative response. Please think of those who dared to get INSAF started.

Please let the public know about INSAF. Find opportunities for the media to have articles about INSAF. Inform the new students from India about INSAF. Get the word out to the public, particularly the Indian community, as much as possible.

My term as President expires soon. Every member of the executive committee has done his/her best. I owe each of them a sense of gratitude. They are wonderful people to deal with.

I invite you to put your state in # 1 position in the number of members. Since Kansas' population is less than most of other states, your work should be easier than has been mine. I will be interested in knowing how you fare.

With best wishes,
Prem Bajaj,

KUNDRA FAMILY CONTINUES TO WORTHY PROJECTS

Over the years, the **Joginder & Meera Kundra** family has supported a large variety of projects. In 2012, they have been supporting the following projects:

JEEVAN PRABHAT, PONDICHERY

Jeevan Prabhat is a children's home which houses and educates about 42 disadvantaged children. We are pleased to report that in the latest academic year, 15 children got top ten ranks in their respective classes. For your information, \$215 will support the education of a child for a year (\$500 will cover the education and other expenses/yr). The Kundras sent \$3,000 in Yr 2012 to support the operations there.

CHILD EDUCATION SUPPORT, KERALA

Under this project, a bright young man currently in his 11th grade, Sinto Raphael, is getting support for his education. This year, \$500 have been sent for support.

EKAL VIDYALAY

Ekal Vidyalay is dedicated to the holistic education of rural children. It currently operates in just under 40,000 villages and educates over 11 million children. The Kundras have sent \$2,500 to support the work.

PRATHAM MYSORE

INSAF Newsletter readers know that Pratham Mysore promotes the cause of educating underprivileged children in the Mysore area of Karnataka. Efforts to support the work through INSAF are coordinated by **Arun & Padma Cariappa** and a number of other colleagues. In 2012 so far, a total of \$16,950 has been sent to Pratham Mysore — thanks to contributions from Arun & Padma Cariappa/Schwab Foundation \$2,600, **Mark & Rupa Fritz** \$150, **Shalini Jain** \$100, **Achamma Job Kakkasseril** \$2,500, **Vikram & Arundhati Malladi** \$10,000, **Kris & Raji Ramprasad** \$200, **Randi Rossignol** \$400, **Rajagopalan Tatta** \$400, **John & Kathi Thonet** \$400, and **Vasudeva & Pramodini Shenoi** \$200.

More information on Pratham Mysore is available at Prathammysore.org.

SHANKARA EYE FOUNDATION

The Foundation is the US arm of the Shankara Eye Society which is working on the prevention of blindness in India. They operate several hospitals and are working to build more of them. In Yr 2012, contributions of \$2,500 (Santosh Chokhani \$1,000, Raj & Padmashri Lad \$500 and Bhav & Kaye Sharma \$1,000) was sent to help build a hospital in Ludhiana, Punjab.

PROJECT UPDATE: DISHA

DISHA (DISHACARE.ORG) is based in Bareilly, UP with the mission is to provide opportunities to physically challenged children from disadvantaged backgrounds. Over the past several years, **Rakesh & Geeta Kapur** have been supporting this cause. A contribution of \$200 has been sent this year to support Disha's work.

TWO SISTERS APPROACH EDUCATION MILESTONE

We are delighted to report that sisters Amalapushpam and Venilapushpam have completed the 3rd year of their 3½ year diploma in Nursing & Midwifery. They are now embarking on the 6-month practical training. A contribution of \$1,000 (with \$250 each coming from Ashok & Darshan Mehan, Santosh Chokhani, Raj & Padmashri Lad, and Bhav & Kaye Sharma) has been sent in Yr 2012 for their support.

BHULPUR SHIKSHA SAMITI, U.P.

Professor Emeritus of Physics Dr. Ram Chaudhari (SUNY Oswego NY) decided a long time ago that he would give back to his birthplace, Bhulpur in Etawah District of U.P. by sponsoring the local school and by promoting the learning of science there. Although he is retired now, Ram and his family, along with support from the Seth Foundation of Ravi & Neera Seth and the Rotary Foundation, continue to dedicate time and resources to the following 3 activities in Bhulpur:

- Kisan Inter College (started as a Primary/Middle School and now goes from Primary to 12th grade)
- Community Outreach
- Medical Dispensary

Every year, Ram and his family and friends send funds to support this work. Other contributors and foundations have helped the institution along the way. Two years ago, Ram donated his ancestral property to a foundation he started there to provide funding for the longer term. Last year, a contribution of \$2,500 was sent.

The student population currently is about 612 with about 40% being female students. Now, Ram's eldest son, Shri Satyendra Chaudhari, is taking over the lead responsibility and other family members such as son-in-law Shri Govind and daughter Ms. Asha Chaturvedi are more and more involved.

Most recently, the medical dispensary conducted a medical camp which was attended by ~250 persons. Another project has been to install ceiling fans in each of the class rooms and the library.
