INDIAN SCHOOLS ALUMNI AND FRIENDS NEWSLETTER

RECORD LEVEL OF PROJECT EFFORT IN 2014; YR 2015 ON LOWER TRAJECTORY

Everyone associated with INSAF can take pride in the fact that our collective project effort in 2014 was the best in INSAF's 42 year operational history. Bravo.

The total project effort in 2014 was at \$121,730 which is an 18% increase from the \$103,001 in 2013. For perspective, INSAF's previous best was Yr 2006 with \$110,701.

Page 5 has our "Project Honor Roll" for 2014, which shows the depth and breadth of the project effort. The **number** of projects, which indicates "breadth", was 35 relative to 28 in 2013, an improvement. The **median** amount per project can be taken as an indicator of depth. The average dollars per project in Yr 2014 was \$600, down from \$1,600.

Of course, each project is unique in how it makes a difference, and these numbers only provide a partial perspective. Here are the types of causes our INSAF colleagues chose to support in 2014:

Generalized Description for Project Goal

- Literacy and good quality education for poor children
- Care and education for "out-of-system" or otherwise disadvantaged children
- Operation or upgrade of an educational institution
- Pre-school education for village children
- College education of disadvantaged youth
- Funding for community service
- Incentivize and motivate students to perform better
- Support for work on women's empowerment
- Community health services

Please see Page 5 of this Newsletters for specific names of the projects. We congratulate each of the Project Leaders and Sponsors for their successful effort in implementing these projects. Project effort in Yr 2015 at the time of this Newsletter is on a much lower trajectory than that in 2014, but we still have almost 7 months to go. Would you like to "give back" in some way during 2015 and need any help? Please let the Newsletter Editor or any Board Member know.

DUE DILIGENCE: Project Leaders are requested to obtain documentation on how specifically the funds were used at the recipient organization (rather than a general receipt) and help INSAF maintain a good standard on due diligence.

MEMBERSHIP: INSAF gained 5 new Life Members in 2014 (none yet in 2015 so far). Please see if you can introduce INSAF to someone new in the coming few weeks.

THANKS IN APPRECIATION FOR PROJECT CONTRIBUTIONS

Many thanks to the following for their project contributions during 2014 & 2015 (some are one-time contributions from non-members). Please forgive any spelling errors — however, please do point them out via an e-mail so appropriate corrections can be made for the future.

ONLINE AND MATCHING CONTRIBUTIONS TO INSAF

FYI — one can contribute online to INSAF through a Paypal account. At INSAFWEB.ORG, there is a button at the top of the home page which says "DONATE" via Paypal. This option has the advantage of convenience — you are all done with just a few clicks anytime 24/7. No need to write and mail a check. The flip side is that although 100% of your contribution is tax deductible, a fee will be deducted by Paypal. In most cases, about 97.5% of the funds will be available for your project.

Does your employer have a charitable contribution matching program? Examples of those already matching employee contributions for INSAF are: AT&T, Exxon Foundation, Gap, Google, Macy's, McGraw Hill, The Christensen Fund, and Tyco. Congratulations to all those who have successfully accomplished this match from their employers — thus doubling the funds they can use to help those in need.

HIMACHAL PRADESH VILLAGE SCHOOL GETS INSAF SUPPORT

Photo below shows village Katindhi Govt. School teachers after a welcome chance to spend \$500 purchasing materials to help them make education more interesting/useful for their students.

INTRODUCING THE 2015-17 INSAF BOARD

Dr. Ramesh Chandra Paliwal (Chairman & President) retired from AT&T in December, 2014, as Senior Project Manager and Senior Technical Architect. Ramesh was born in Kakore (U.P.). He obtained his Bachelor's in Mech. Eng. from Banaras Hindu Univ. (1964), MS in Mech. Eng. from Univ. of Minnesota (1968), and Ph. D. in Mech. Eng. from Rutgers Univ. (1979). After his MS degree, Ramesh

returned to India and taught at G. B. Pant Univ., Pantnagar, as an Assoc. Prof. until 1974 when he returned to USA for his Ph. D.. Ramesh did a post-doc year at UCLA and worked as a Systems Engineer in West Long Branch, NJ, until he joined AT&T in 1984. Ramesh and his wife, Pratibha are long-time life members of INSAF

and live in Ocean Township, NJ. Ramesh has previously served as an INSAF Exec for several years in every decade starting in 1981, including as President. Ramesh & Pratibha have sponsored several projects over the years through INSAF. They have also provided funding for the concept of INSAF matching funds for members who wish to start new projects. Ramesh and Pratibha have two children - son, Rajeev and daughter, Jaya. Rajeev and daughter-in-law Saloni (both INSAF Life Members) have two children - son, Kamron and daughter, Amara. Jaya is married to Shamir.

Ms. Padmashri Lad (VP Finance) is an accountant with the Christensen Fund, a Private Foundation located in San Francisco CA, which promotes

Biocultural Diversity around the world. She enjoys conducting research and interpreting data to support financial decision-making. Padmashri earned her B.Sc. from Fergusson College in Pune, India. She also earned an MBA from the Institute of Management Development & Research in Pune.

Padmashri and her husband Dr. Raj

Lad are long-time Members of INSAF.

Santosh Chokhani (VP Communications) is a past President and Executive Committee member of INSAF. Currently, he is the Co-Editor of the Newsletter along with Bhav. Santosh likes to volunteer his time to help the society and people do better. Santosh was born in Laxmangarh

(50 miles from Jaipur, Rajasthan) and came to the U.S. in 1970 after obtaining his Bachelor's in Electrical Eng. from the University of Bombay. During 1970-1975, he was at Rutgers University, New Brunswick, where he earned a Ph.D. in Electrical Eng. and

Computer Science. Since 1975 Santosh has worked in the information technology and information security fields, including founding two information security companies. Santosh also volunteers to tutor low-income high school students. Santosh has a daughter, Natasha.

Dr. Vimal Goyle (Director) practiced OB/GYN in Wichita, KS for over 35 years. In January 2014, she and her

husband, who is a cardiologist, moved to New York. They have two sons, Sanj and Raj, both lawyers by education. Sanj is in Business and is a CEO of Banc Box. Raj (an INSAF Life Member) is in Politics and started his own company last year.

Vimal went to Govt. Medical College, Patiala. In the U.S, she went through progressive residency training in Obstetrics and Gynecology in Rochester,

NY, and passed the certification examination to practice as an OB/GYN. She was in solo private practice in Wichita from 1976 to 2014. She also worked with several non-profit organizations in Wichita. The reason for her move was to be close to her family so that she can spend time with her two granddaughters. Dr. Goyle works part time as an outpatient gynecologist for the New York Health Trade Council. She and Dr. Krishan Goyle became life members of INSAF in 2009.

Joginder Kundra (Director) came to the US in June 1971 and met Bhavender Sharma, Santosh Chokhani and Ashok Mehan (an INSAF Co-Founder and Life-Member) on day -1, as he took shelter with them in the early days, without knowing any of them prior to being in the US. He

has been associated with INSAF for more than thirty years and has seen INSAF evolve over time. He embraced INSAF as it makes us think that without the college education bestowed upon us by India with its very limited resources, it would not have been possible for us to be what we are today. He graduated in Mech. Eng. from RIT,

Jamshedpur in 1967, and obtained a Masters in Mech. Eng. from Rutgers University. Joginder has been associated with Oil & Gas since 1979. Having spent 30 years with Mobil Oil & Exxon Mobil, and 10+ years in international consulting, Joginder has had a very enriching experience and exposure to the culture of over 35 countries. His family includes: wife Meera, son Rajan & his spouse Anjali, son Monish and his spouse

INSAF is registered with the IRS as a tax-exempt non-profit, so your contributions are tax deductible. Since INSAF is subject to an audit, please help document how, specifically, the funds were utilized by the recipient. Due diligence is very much an INSAF goal, and the Project Leader's follow-up is greatly appreciated.

GOVT. GIRLS MIDDLE SCHOOL, V. ALDUKA

Dr. Raj & Ms. Padmashri Lad have undertaken to support a substantial upgrade at the Govt. Girls Middle School in village Alduka, District Mewat, in southern Haryana near the Rajasthan border. The picture below shows the

school gate and boundary wall being repaired. The 2nd photo below shows the school compound being filled with new soil in an attempt to prevent its flooding during the rainy season. A reverse-osmosis, chilled drinking water system is also planned in the near future.

EDITOR'S CORNER

The April 2015 earthquakes in Nepal killed about 8,700 people, injured 16,800, and destroyed 550,000 homes (AP, May 26, 2015). INSAF has twice previously stepped forward to help rebuild/restore a school — after damage in Kutch due to an earthquake, and the Nicobar island after the tsunami. All of us at INSAF should see if we could join together and help rebuild one school in Nepal. Something to consider.
